Charming 3 bedroom 1 bathroom bungalow awaits new home ownership in a convenient quiet location with wonderful accessibility to stores, school, and conveniences. The Kitchen has stainless steel appliances, ceiling-height cabinetry, and a view of the backyard. The living room accesses the backyard for easy BBQing or a beloved pet door with a convenient side entrance. An additional Patio door off of the living room leads to a spacious deck. The huge backyard features a few large matured trees, a fire pit, a shed, and rear access to the back alley. This home has wonderful potential, is built on a generous 50 X 141 foot lot, and is situated beside well-cared-for neighboring properties!! Call your realtor to view it today! ***Please note: Property is sold "as is, where is, upon possession". No warranties or representations.***
