Beautifully maintained bungalow in Cobblestone with fantastic curb appeal and a charming covered front deck. The tiled entryway leads to a spacious laundry room, conveniently located off the garage entrance, and a walk-through pantry. The open floor plan features vaulted ceilings and large windows, creating a bright and airy atmosphere. The kitchen boasts maple cabinets, high-end stainless steel appliances, and a large island perfect for cooking and entertaining. The master bedroom includes a walk-in closet and a luxurious ensuite with a 4' shower and a large soaker tub. The living room is warm and inviting, centered around a gas fireplace. The basement is 60% finished and includes a third bedroom, a bathroom, a media room fully wired for components and speakers, and a rec room ready for a wet bar. Both rooms feature pot lights with dimmer switches for customized lighting. Enjoy the convenience of hot water on demand and a 22x24 finished, heated garage. The large deck off the dining room opens to a fully fenced and landscaped yard, backing onto green space. This home is ideally situated next to a children's park and within walking distance of a future school site and other amenities.
